Q: Can I change or cancel my order after placing it?

A: Orders can be changed or cancelled within 1 hour of placing them, as long as they have not yet entered the processing stage. To do this, go to 'My Orders', select the order, and choose 'Cancel' or 'Edit'. After processing begins, changes are no longer possible.

Q: How can I track my order?

A: Once your order ships, you will receive a tracking number by email and SMS. You can also check the status anytime under 'My Orders' on our website or app.

Q: What payment methods are accepted?

A: We accept major credit and debit cards, digital wallets, and bank transfers. Available options may vary depending on your region.

Shipping & Delivery

Q: How long does delivery take?

A: Standard delivery typically takes 3-5 business days. Express delivery, where available, takes 1-2 business days. Delivery times may vary based on your location and product availability.

Q: Do you offer international shipping?

A: Yes, we ship to most countries. Shipping costs and delivery times vary by destination and are shown at checkout before you confirm your order.

Q: What should I do if my package is delayed?

A: If your package has not arrived within the estimated delivery window, please check the tracking link first. If there is no update after 2 additional business days, contact our support team with your order number for assistance.

Q: My package arrived damaged. What now?

A: We're sorry to hear that. Please take a photo of the damaged item and packaging, and contact support within 48 hours of delivery. We will arrange a replacement or refund.

Returns & Refunds

Q: What is your return policy?

A: Items can be returned within 30 days of delivery if they are unused, in original packaging, and accompanied by proof of purchase. Some categories, such as perishable or personalized items, may not be eligible for return.

Q: How do I start a return?

A: Go to 'My Orders', select the item you want to return, and choose 'Request Return'. Follow the instructions to print a return label and drop off the package at the specified carrier location.

Q: When will I receive my refund?

A: Refunds are processed within 5-7 business days after we receive and inspect the returned item. The amount will be credited to your original payment method. Bank processing times may add a few extra days.

Q: Can I exchange an item instead of returning it?
